ABHIVYAKTI

25th Feb 2024

THE MULTI DISCIPLINARY PAPER PRESENTATION COMPETITION

Prizes

1st – 10,000/-   2nd   7500/-   3rd - 5000/-

Entry Fees: Rs. 100 /- per participant. Theme:

1) Internet of things: Revolutionizing connectivity and transforming industries
2) Zero carbon systems
3) Use of Nanomaterials in Construction industry
4) Business Intelligence and Data Visualization
5) Industry 5.0
6) Deep Learning applications transforming computer vision: Current trends and future Prospects
7) Sustainable development
8) Renewable energy
9) Recent advancements and development in electric vehicle technology.

* General Rules and Guidelines:

l) The paper must be in IEEE format and must have multidisciplinary technical content.

2) Paper should sent to kitabhivyakti@gmail.com (subject must be in the following format participantname_collegename_topicname)

3) Deadline for submission(abstract) is 15th February 2024, acceptance shall be communicated before 18th February 2024 (via mail/ whatsapp)

4) Token Amount of Rs. 50/- per paper shall be submitted while registering (which is non-refundable)

100/- per participant must be paid after the paper is shortlisted. 5) Maximum 2 participants are allowed per group.

PRAKALP

25th Feb 2024

A Project Competition organized in association with

KIT's

Innovation & Research

foundation,

Kolhapur, KITCOEK

Prizes

1 st - 6000/   2nd - 5000/-   3 rd -1000/

Entry Fees: Rs. 100/- per participant

Theme:

The project model should be in the following field of engineering

- Mechanical
- Civil/Civil & Environmental
- Electrical/ E&TC
- CSE & Allied Branches
- Biotechnology
- Miscellaneous (AgriTech, HealthTech, EduTech, Manufacturing, AIML, IOT & IIOT, etc.)

General Rules and Guidelines for competition

❖ Each team Should have a maximum of 4 members.
❖ The competition is open for Jr. College, Diploma & Undergraduate student Innovation and startups with a valid student ID card of their college/university.

PIONEER 2024

❖ Each team should have maximum of 4 members.

❖ Project can be in the form of Innovation/Startup/ working model / software simulation/Experimental setup/Poster or prototype with abstract and references.

❖ Project details should be sent to kitprakalp@gmail.com

❖ Fee: Rs. 50/- during registration (per group) and Rs. 100/- (per participant) must be paid after the project is shortlisted.

Regulations for competition and display of Project-

Students taking part in project exhibition event should follow certain rules regarding the event.

l) The project for competition must be displayed and presented with a poster in Al size.

2) The poster should contain a simple description about their project. The candidates can take help from the following points to describe their project in the chart.
Points:
- Introduction
- Block diagram [Experimental Setup
- Working principle/Methodology (Action Plan)
- Its advantage and disadvantages
- Future Work

3) The poster must be prepared in the given format

4) Participants must exhibit their project on the day of project competition

5) Teams will be given a space to set up their model/design at the venue for exhibition and for judging.

Industry sponsored projects can participate subjected to following conditions:

- All students have to provide the certificate from industry where college/student and project details are clearly mentioned along with industry's contribution in that project. Industry should certify that the project fulfills the requirement of industry.
- Participants have to exhibit their projects/working model in this section. If it is not feasible to exhibit the project in an event, then participants can present their project in the form of presentation/display posters/photos/video. A letter from industry stating the reasons for not showcasing the project in the event needs to be submitted to the organizers.

Important note:

- All selected participants will receive a participation certificate.
- Basic requirement i.e., electric power supply of 230V AC will be made available to participants as per requirement of project.
- Participants should bring all their requirements; if anything is required it should be specified along with the registration.
- The decision of the judges shall be treated as final and binding.
- The panel of judges consists of subject experts from various Colleges and Industries.

● The organizers reserve the rights to change any or all of the above rules as they deem fit.
Any changes in the rules are notified to the registered participants.

DEPARTMENT OF ELECTRICAL ENGINEERING

Electro-Quest

26th February, 2024

Prizes

- 1st Prize Rs. 2000/-
- 2nd Prize Rs. 1000/-

Theme

- Event which will challenge and test your general knowledge about Circuits.

Rules and Regulations

1. Round 1- circuit hunt

2. Round 2 - circuit building

3. Group of minimum 2 or maximum 4 students is required

4. Time limit (complete the given task within the time)

5. In 2nd round two groups are considered as a winner of the event who build the circuit as early as possible

6. Mobile phones & smart gadgets are strictly prohibited during the event

7. The Judges decision will be considered as final

For Online Registration

Group of 2 students – Rs. 100/-

Group of 3 & 4 students – Rs. 180/-

DEPARTMENT OF CIVIL AND ENVIORNMENTAL ENGINEERING

En-Vision

26th February, 2024

Prizes

- 1st Prize Rs. 3000/-
- 2nd Prize Rs. 2000/-
- 3rd Prize Rs. 1000/-

Theme

An Idea presentation competition, which covers themes like:

1. Sustainable Sanitation Approaches
2. Waste Management
3. Waste Conservation and Management
4. Best Out Of Waste.

Rules and Regulations

- It should be PowerPoint Presentation.

- A team should consist of a maximum of 2 members.

- Data comprised of Text, Figures, Tables, Charts, Audio- Visuals etc. is allowed.

-Citing the references is MANDATORY.

- Only participants who qualify in the preliminary abstract submission round shall be eligible for the final presentation.

Presentation should be less than SEVEN minutes followed by Question-Answer Round. Participation Certificate will be given after successful completion of Presentation.

-The decision of the judges and event head shall be treated as final and binding on all.

For Online Registration

Registration Fee (Per Student) – Rs. 100/-

Maximum 2 Students per group.

Beyond Resume 2.0

25ᵗʰ February, 2024

Prizes

- Winner - Gifts worth Rs.5000
- Runner Up - Gifts worth Rs.4000
- Aptitude winner – Rs.1000

Theme

The event "Beyond Resume 2.0" is designed to help the participants enhance their overall campus skills and prepare them for job interviews. Participating in this event will give candidates the chance to boost their confidence and gain insights that will help them succeed in their future interviews, ultimately leading them to their dream job.

Rules and Regulations

Stage 1: Aptitude Test

- Candidates should arrive at the test center at least 30 minutes before the start time.
- They should bring a valid photo ID card and a pen/pencil for the test. Candidates should not bring any electronic devices, including mobile phones, calculators, or smart watches, to the test center.
- Candidates should follow the instructions given by the event volunteers during the test.
- Candidates are not allowed to leave the test center until the test is over. Any act of cheating or misconduct during the test will result in disqualification.

Stage 2: HR Interview Round

- Candidates should arrive at the interview venue at least 15 minutes before their scheduled interview time.
- They should dress professionally and bring their resume and relevant documents.
- Candidates should not bring any electronic devices or notes to the interview.
- They should be respectful and courteous to the interviewer and other participants in group discussion round and one on one interview round.
- Candidates should answer the questions truthfully and to the best of their knowledge. Any act of cheating or misrepresentation during the interview will result in disqualification.

For Online Registration

Registration Fees (Per Student) – Rs. 120/-

Code Venture: Welcome To the Coding Safari

25th February, 2024

Prizes

- 1st Prize Rs. 3000 (POP) + Rs. 3000 (OOP)
- 2nd Prize Rs. 2000 (POP) + Rs. 2000 (OOP)

Details of the Event

Round 1: Aptitude

1. Duration: 50 Minutes
2. 2. No. of Questions: 40

Round 2: Puzzle Round + Pseudocode

1. Duration: 50 Minutes

2. No. of Questions: 25

3. Question Split: 15 Puzzles + 10 Pseudocode

Round 3: Coding

1. Duration:60 minutes

2. No. of Questions: 6 (C/Python or C++/Java)

Rules and Regulations

- Allowed programming languages are C, C++, Java, and Python.
- The problems may be solved in any order. All solutions will be submitted electronically.
- The judges will test solutions and feedback will be sent accordingly.
- Any unauthorized behaviour will result in automatic disqualification, this includes but is not limited to using disallowed external resources, or attempting to hack the contest environment.
- Judges' decisions are final.
